In This Issue

1. Announce of participating in K-show 2019

Tahara will participate in K-show 2019

We are happy to announce that Tahara Machinery is going to participate in K-show 2019 in Dusseldorf (<https://www.k-online.com/>).

The Exhibition will be held from October 16th – 23rd, 2019. We will be introducing our new Fully electric blow molding machine with developed technologies. We believe that you will find the experience valuable for your future business. We look forward to seeing you at our booth.

Booth Number – Hall 13

You will find our machine inside the JSW booth, which is our parent company in Japan.

JSW
THE JAPAN STEEL WORKS, LTD.

TAHARA
